Re: Your Public Record Request

To Whom It May Concern:

This letter responds to your April 24 request to the Butte County Board of Supervisors seeking various records related to the Camp Fire. After a search for responsive records, various documents have been located that will be saved to a shared drive given the large volume of documents and a link will be emailed to you to access the documents.

Please note that three emails were located that are exempt from disclosure because they consist of attorney-client communications and attorney work product pursuant to Government Code section 6254(k) (Exempt disclosures and privilege) and Government Code section 6255 because the public interest served by non-disclosure of the records clearly outweighs the public interest in disclosure.

Very truly yours,

BRUCE S. ALPERT
Butte County Counsel
